

REMARKS

As indicated in the Notice of Omitted Items, Fig. 13 relating to an alternative embodiment was not included in the application as filed. By the present amendment, reference to Fig. 13 is deleted from the application.

The amendments to the specification are presented in the revised format as required in 2003.

To summarize the changes, reference to Fig. 13 has been deleted and original paragraph [0044] describing Fig. 13 has been paraphrased to remove references to reference numerals in the new paragraph [0044].

The acceptance of these changes is respectfully solicited.

Applicant hereby authorizes the Commissioner to charge any additional fees, which may be required, or credit any overpayment to Deposit Account No. 06-2425. Should such additional fees be associated with an extension of time, Applicant respectfully requests that this paper be considered a petition therefore.

Respectfully submitted,
